

We are an official CoEd State Chapter providing membership and professional development to school district leaders. [Click here](#) to learn more.

Fall Newsletter

Note from the President

This year we enter our 16th year as the premier professional association for school technology leaders in Illinois. I am honored to begin my final year as president and wish to thank Phil Meeks for his service as president over the past 3 years. Our executive board will continue to progress on the goals that Phil initiated to increase our visibility in Illinois as well as support professional development for our members.

Each year we hold elections in June for our executive board. This year we welcome [Michael Amsickoff](#), Oak Park Elementary 90117 and [Cris Hansen](#), Diamond Lake 54176 as new board members. In addition to the work of the executive board, there are many opportunities for all of our members to share knowledge and support the organization such as presenting at one of the quarterly workshops or the CTO-Clear or serving on one of our committees.

Please remember to renew your [CoEd membership](#) if you have not yet done so for the year. Memberships expire on June 30th. Your IETL membership is part of your benefits as a CoEd member, so please renew via CoEd to stay active in IETL.

I encourage you to attend IETL's quarterly meetings this year to learn and share with your colleagues. If you have suggestions as to how IETL can better serve our members' needs, please contact me.

We look forward to another year of learning and leading with you.

Nancy
