

We are an official CoSN State Chapter providing mentorship and professional development to school district leaders. [Click here](#) to learn more.

Fall Newsletter

Note from the President

This year we enter our 5th year as the premier professional association for school technology leaders in Illinois. I am honored to begin my first year as president and wish to thank Phil Morris for his service as president over the past 3 years. Our executive board will continue to progress on the goals that Phil oversaw to increase our visibility in Illinois as well as support professional development for our members.

Each year we hold elections in June for our executive board. This year we welcome [Michael Arensdorff](#), Oak Park Elementary SD 97 and Eric Hansen, Diamond Lake SD 76 as new board members. In addition to the work of the executive board, there are many opportunities for all of our members to share knowledge and support the organization such as presenting at one of the quarterly workshops or the CTO Clinic or serving on one of our committees.

Please remember to renew your [CoSN membership](#) if you have not yet done so for the year. Memberships expired on June 30th. Your IETL membership is part of your benefits as a CoSN member, so please renew via CoSN to stay active in IETL.

I encourage you to attend IETL's quarterly meetings this year to learn and share with your colleagues. If you have suggestions as to how IETL can better serve our members' needs, please contact me.

We look forward to another year of learning and leading with you.

Nancy

Upcoming Events

TECHCON Registration October 12, 2018

2018-2019 Workshop Dates

SAVE THE DATES

Friday, November 2, 2018

Thursday, January 24, 2019

Friday, April 12, 2019

Summit June 13, 2019

Golf Outing July 13, 2019

**Calendar invites will be sent to our members as the dates approach.*

Our **TLE Seal Subcommittee** is underway. Mary Morgan Ryan, NSSED and Maureen Miller, Winnetka 36 are co-chairing the IETL TLE Seal subcommittee. The Trusted Learning Environment Seal Program is an application program through CoSN that allows a district to earn the TLE seal indicating the district has “high standards for student data privacy protections”. For more information regarding the seal requirements, please visit the [TLE Seal website](#).

If you would like to work with the cohort, the next planned meeting time is **December 14th** from 11:30-3:00 at NSSED in Highland Park. Lunch will be provided. If you are interested in attending, please register [here](#) or if you are not able to attend but would like to be part of the group, please contact Mary Morgan Ryan.

June Summit:

Thank you to everyone who was able to attend the Annual CTO Summit. The feedback was very positive, and we hope everyone enjoyed getting your YETI. We would like to thank the various panel participants and leaders throughout the day. Special thanks to our Sponsors who assisted in funding and participating in the conversations throughout the day.

CETL Recognition

Congratulations Adam Smeets, IPSD204 and Tony Schlorff, CCSD93 for CETL Certification.

Interested in earning your CETL, test out your CTO skills [here](#).
